GENERAL INFORMATION

For your convenience:- You don't have to print or present this e-mail at the check-in counter, your e-Ticket(s) is(are) already registered in our system. In order to use the e-TAM self Check-in, we suggest to take note of your e-Ticket number or print this message.- Proceed to check-in counter 1 hour in advance for domestic flights with your original photo ID, or 2 hours in advance for international flights with your passport and visa, if required by the country of destination.- After you have checked-in, go to the boarding gate at the time specified on your boarding pass. A R\$100 fine will be charged in case the passenger fails to do the check-in and, in the event of a cancellation, it is not done until 30 minutes before the departure scheduled time, in addition to the rebooking fee (according to the fare rule) or the difference for higher fare.

According to resolution 130, of the National Civil Aviation Agency, beginning on March 1st, 2010, all passengers must present a valid picture identification at the check-in counter and at the boarding gate before boarding our airplanes.

Clients who check-in via Internet or through our self-service check-in machines at the airport and do not have luggage to check, must present a valid picture identification at the boarding gate only.

Clients who check-in via Internet or through our self-service check-in machines and have luggage to check, must present a valid picture identification at both the check-in counter and the boarding gate.

Please note that if the document presented by the passenger is not on the list of allowed documents, the passenger will not be able to board into the plane.

Have a nice flight!

This fare may have travel restrictions. Please contact TAM's Call Center or your travel agent for more details.

Stopovers

Transfers

Penalties, Cancellations and Changes:

According to applicable legislation, when a passenger requests to modify the original itinerary of the trip, before or after its commencement and within the validity period of the ticket, the carrier should replace the ticket and may make adjustments to rates, charges or exchange rate variations. A passenger may obtain a refund for a ticket that was not used, within its validity period, for the amount actually paid, respecting the rules and penalties of the fare. The reimbursement of a ticket purchased through a promotional rate will obey any restrictions previously informed. When a flight change is caused by the airline, the passenger can rebook his ticket, without charge, within a period of seven to 15 days after the original flight date, or request a refund of the full amount paid for the ticket. The communication to the client about the flight changes will be the responsibility of the issuing channel: TAM will notify passengers who purchased via direct channels (website, TAM airport ticket offices, etc.). Passengers who purchased tickets through indirect channels

(agencies, TAM Viagens, etc.) will be notified by the issuing party. For more information, including those related to applicable values, visit the website: www.tam.com.br, contact our Sales, Loyalty and Service Center: **+55 (11) 4002-5700** (capital cities) or 0300-570 - 5700 (all of Brazil) or issuer travel agency.
